

Promote Manchester

The Manchester Area Chamber of Commerce serves to promote and stimulate the commercial vitality of its members, consisting of businesses, service organizations and individuals located in or near Manchester, Michigan. MACC hosts business and social activities which educate the public on members' products and services, and speaks as a unified voice on matters affecting our members. We are excited to continue growing our membership, and look forward to welcoming new businesses and renewing connections with our returning members. Please note on the reverse side that we include "membership category" as a part of your listing, to help direct our visitors to your specific business type.

Helping you achieve

Our membership has averaged 100 members over the last several years. Our website www.48158.com provides details on Chamber members and activities. The new tourism website www.manchestermi.org provides greater details on events, tours and regional information of value to our visitors and tourism groups.

Through direct e-mail to our members, we send additional current information and requests for input. Other promotional opportunities exist through Chamber publications, news releases, sponsored events, welcome packets, our Facebook page, the CRG telephone directory listing, our

display booth at the Manchester District Library, and the weekly radio program "Manchester Business Insider." Other benefits of membership include unlimited use of the Chamber's U.S. Post Office Bulk Mailing Permit, and access to group Health Insurance.

We participate in the Washtenaw Council of Chambers, The Big 400 Project, and the Ypsilanti Area CVB program entitled "CTAP", all of which boost visitor awareness of our community and its unique offerings and events, and promote Manchester Chamber members and our retail businesses.

The Year 2015 will be filled with both opportunities and challenges.

We will be working with the Village of Manchester to minimize the impact to our businesses and events associated with the Main Street Bridge reconstruction in 2015. Our website Community Events Calendar, located at www.48158.com, includes both Chamber events and those of other organizations.

Our participation in the Gateway Community Initiative, under the logo "The Big 400", seeks to promote both eco-tourism and stimulation of our downtown businesses. We also participate in the regional Community Tourism Action Plan (CTAP), which has provided funding for directional way-signs, tour organization, promotional brochures, and special events of local interest, such as agri-tourism. See www.manchestermi.org for more details.

We invite you to join us in any capacity, whether it be at an event, a meeting, or volunteering for something you are passionate about.

Membership Connections

- Phone: 734-476-4565
